RUGER GUNSITE SCOUT RIFLE 308 CALIBER

Scope not included.

Ruger recently introduced the Gunsite Scout Rifle in 308 Winchester caliber. It is a bolt action rifle with a 16 1/2 inch barrel weighing approximately 7 lbs and can use either a five or ten round magazine. The stock is black laminate with adjustable length of pull and a soft rubber recoil pad. This rifle is great for taking deer, elk, bear, wild boar and most African plains game or defending family and property.

The Ruger Gunsite Scout Rifle has been so popular since its introduction that it has been on backorder with most dealers for months. This is one rifle you need to own.

TAURUS RAGING BULL MODEL 444 .44 MAG. REVOLVER

For those wishing to use a scope, Taurus sales an optional scope mount.

50 Rd. box of ammo included

The Raging Bull 44 Mag. has a well-deserved reputation for outstanding strength, reliability, and accuracy. The mighty Raging Bull Model 444 chambers the popular .44 Magnum. A double-lockup cylinder assures strength where needed on this powerful hunter. The Raging Bull features factory porting and the Taurus Security System. The Model 444 Raging Bull holds 6 rounds and features the yoke detent and full-length ejector rod. The Raging Bull 44 Mag is one of a few revolvers in the world that can shot Garrett's 44 Mag +P 330-gr Super Hard Case Long Hammerhead ammo at 1400-fps. This ammo was developed for North American and African dangerous game, plus wild hog hunting.
